

A ac's claims process: Peace of mind when you need it most

If you're sick or hurt, the last thing you need is an insurer that drags its feet when it's time to pay your claims. A ac prides itself on being an insurer with a difference: Our goal is to process and pay, not deny and delay. That's why we make it easy to file your insurance claims online. Here's how:

Choose from accident, hospital, critical illness or wellness and follow the instructions.

Complete and upload your HIPAA authorization, claim details and documents, and direct deposit information.

You're all set! A ac will review your information and act promptly to resolve your claim.

A ac helps pay expenses health insurance doesn't cover – and because your medical bills won't wait, we do so promptly and fairly. For all other plans, download the proper forms and follow the instructions for filing by fax or email.
