

What's different about Total Care doctors?

Doctors and hospitals with Total Care designation have access to enhanced technology and information that can improve the way they care for patients. A Total Care team might include a primary care doctor, pharmacist,

To find Total Care doctors and hospitals:

Log in to My Health Toolkit and select the **Resources** tab

Click **Find a Doctor or Hospital**

Enter your location and the specialty type, then click **Search**

On the left side, click **Total Care**

Or call the number on the back of your membership card to talk to a customer service advocate.
