

# Setting up and Connecting to Workday on a Mobile Device

## Updating TRACKS

1. TRACKS username was issued when you started your employment at Florida Tech
  - a. In most cases, ID's are first initial and last name
    - i. In some cases, last names may be shortened if longer than 7 characters
  - b. It is also the beginning of the @fit.edu email address
2. If you know TRACKS username but forgot password
  - a. Log onto one of the Florida Tech applications
    - i. Workday will work for authentication
  - b. Click the "Forgot your TRACKS username or password"
    - a. Contact Tech Support at 321-74-7284

## Connecting to Florida Tech Wi-Fi

1. Connecting to WiFi ('eduroam')
  - a. Android Devices:
    - i. Make sure Wi-Fi is turned on and open the Wi-Fi networks. Tap on 'eduroam' to connect
    - ii. Enter TRACKS username in the Identity field followed by @fit.edu. Example: [blairb2014@fit.edu](mailto:blairb2014@fit.edu)
    - iii. Scroll down to the password field, type TRACKS password
    - iv. Tap "Connect"

- b. Apple Devices (iOS)
  - i. Open Settings and choose Wi-Fi
  - ii. Enter TRACKS username followed by @fit.edu. Example: blairb2014@fit.edu. Then type TRACKS password
  - iii. Tap "Join"
